PROFESSIONAL LINE

#### MATERIAL

Fabric Composition	Undetermined
Mop weight	220 gr

#### PACKAGING

Bulk article	
Packing	50 pieces per carton
Pallet Eur H.250 cm	20 Cartons

Designed for a professional target, the Mop is made of spulance non-woven fabric. Light and manageable, it is ideal for large areas, deep cleans getting into even the most difficult corners. Easy to use, will leave no lint or streaks and is super resistant, absorbs up to 8 times its weight. Use wet with detergents to wash all surfaces, or lightly dampened to dust and dry parquet floors.
